NOW, THEREFORE, in consideration of the payment herein agreed to be paid by the Town to the Village, the mutual covenants herein contained, and other good and valuable consideration, the parties hereto agree as follows:

1. The Village shall furnish fire protection and emergency ambulance service to the District during the term of this Agreement in the manner following, to wit:

(a) The Fire Department shall at all times during the period of this Agreement be subject to calls for attendance upon any fire occurring in said District, and when notified of a fire within the District, such Fire Department shall respond and attend upon the fire, without delay, with suitable equipment, including, but not limited to, suitable ladders, pumping and hose apparatus, and upon arriving at the scene of the fire, the firemen of the Village attending shall proceed diligently and in every way reasonably suggested to extinguish the fire and to save life and property in connection therewith; and

(b) The Emergency Rescue and First Aid Squad of the Fire Department and the Company shall provide at all times during the period of this Agreement emergency ambulance service in said District as that term is described in Section 209-b(1)(a) of the General Municipal Law of the State of New York.

2. The Village shall be responsible for any loss or damage whatever which shall be sustained to the fire or emergency ambulance service apparatus of said Village in answering, attending upon, or returning from a call for assistance in said District under the terms of this Agreement, whether sustained in the District or outside thereof, and irrespective of the cost thereof.

3. On or before February 15, 2021, the Town shall pay to the Village a total sum of \$1,950,845.00 to be levied and assessed against the real taxable property in said District liable to assessment for such purpose and to be collected with Town taxes. The Village hereby agrees to accept the said sum in full payment for furnishing aid and the use of its fire or emergency ambulance service apparatus and for performing all of the things on its part to be performed by the terms hereof during the period of this Agreement as hereinafter set forth. In support of sum paid, the Village will provide the Town a statement detailing the revenues, operating expenses and capital expenses budgeted for fire and emergency ambulance service. Revenues budgeted will be based on actual revenues collected as presented in the AUD Report by the Village for its prior fiscal year. The Village will meet periodically with Town representatives to discuss fire and emergency ambulance service and present their budget and related operating activities to the Town Board at a Public Hearing.

4. The Town acknowledges and consents that the Village shall charge, bill and collect fees to persons using the emergency ambulance service within the District under this Agreement, all of which shall be applied to determine the Town's payment described in Section 3.

5. The Village shall, at its own expense, secure a policy or policies of insurance issued by an insurance company or companies duly authorized by law to issue the same and authorized to do business in the State of New York, and shall deliver to the Town satisfactory evidence of the issuance thereof, which said policy or policies shall contain provisions insuring the Village, Town and District against any and all liability, both jointly and severally, including liability for Workers' Compensation and other compensation and any liability created under the provisions of the General Municipal Law of the State of New York, or otherwise, which may become payable by reason of injury to, or death of, any volunteer fireman, or injury to, or death of, any other person or of damage

The Village shall hold the Town and District harmless of and from all loss and expense of every name and nature arising out of the furnishing of fire protection and emergency ambulance service to said District during the term of this Agreement up to a monetary limit of \$5,000,000, as is equal to the minimum monetary limits of such Commercial General Liability Insurance and the Umbrella Liability Insurance the Village secures pursuant to Section 5. It is agreed and understood by the parties hereto, however, that \$5,000,000 shall serve as a measure of the maximum amount for which the Village shall be liable hereunder. Failure of any such policy to cover a loss for which the Village is otherwise responsible hereunder, however, shall not relieve the Village from responsibility therefore. The Town's right to indemnification pursuant to this provision is in addition to all of its common law rights and any other rights of any name or nature whatsoever and shall not constitute an election of remedies. In addition, the obtaining of any liability insurance coverage by any party hereto for the purpose of protecting its interests in relation to the subject of this Agreement, or otherwise, shall not constitute an election of remedies.

7. Members of the Fire Department and the Emergency Rescue and First Aid Squad of the Fire Department and the Company, while engaged in the performance of their duties in answering, attending upon or returning from any call provided for by this Agreement, shall have the same rights, privileges and immunities as if performing the same in the Village.

8. This Agreement shall be for the calendar year 2021, commencing January 1, 2021 and remaining in effect through December 31, 2021.
